KELINE

Patch panel KOMPAKT, Category 5E, 24xRJ45/s

P/N: 606029

| 1 Gigabit | Cat.5E | 100 MHz |

Strip approximately 75 mm from the cable jacket, fold back the foil or braid shield and prepare each pair.

Follow the direction on the colour–coding sticker for T568A or T568B wiring and set pairs into proper position.

Punch down wires with LSA-tool.

Fasten the screws through metal case to hold tightly down for two cable jackets in the same time.

Fasten cable ties for additional strain relief.
