

19" distribution panel, 5 x 230V, French

P/N: ACARF5FAR3

cable plug

features

- french style sockets
- universal german and french style cable plug
- over voltage protection with filter
- lighted power switch
- set of M6 screws and captive nuts (4 pcs)

specification

Nominal voltage	230V
Nominal frequency	50Hz
Nominal load current	ΣI_n 10A
Leakage current	< 0,5mA
Delay	< 25ns
Max. continuous voltage	250V 50Hz
Protection level	\leq 1,3kV
Nominal leakage current	2kA (L/N) - 8/20 μ s
Max. leakage current	6,5kA (L/N) - 8/20 μ s
Fusing	1 automatic fuse 10A/250V
Protection against electric shock	earth pins connected to the earthing wire
Power cord	3m
Number of sockets	5 sockets with earth pins 10A/250V
Power switch	double pole light switch
Material	flame retardant plastic
Dimensions	57 (1,5U) x 482,6 (19") x 55mm
Weight	0,4kg
Color	black
