

19" distribution panel, 8 x 230 V, French

P/N: ACARS8FAR3

cable plug

features

- french style sockets
- universal german and french style cable plug
- over voltage protection with filter
- lighted power switch
- set of M6 screws and captive nuts (4 pcs)

specification

Nominal voltage	250 V
Nominal frequency	50 Hz
Nominal load current	ΣI_n 10 A
Leakage current	< 0,5 mA
Delay	25 ns
Max. continuous voltage	250 V 50 Hz
Protection level	\leq 1,3 kV
Nominal leakage current	2 kA (L/N) - 8 / 20 μ s
Max. leakage current	6,5 kA (L/N) - 8 / 20 μ s
Fusing	automatic fuse 10 A / 250 V
Protection against electric shock	earth pins connected to the earthing wire
Power cord	2,8 m H05VV-F 3 x 1,5 mm ²
Number of sockets	8 sockets with earth pins 16 A / 250 V
Power switch	double pole light switch
Material	flame retardant plastic
Dimensions	55 (1,5U) x 482,6 (19") x 54 mm
Weight	0,73 kg
Color	black
